PLAIN LANGUAGE SUMMARY
OF COMMUNITY MEMORIAL HOSPITAL HEALTH FINANCIAL ASSISTANCE POLICY

Community Memorial Hospital (“CMH”) offers financial assistance to many people who have health care needs and are not able to pay for care. Community Memorial Hospital does not want a person’s ability to pay their bill to stop them from getting care. This is a summary of the Community Memorial Hospital Financial Assistance Policy (FAP).

Availability of Financial Assistance
You may be able to get financial assistance if you are not able to pay your health care bill. Community Memorial Hospital gives financial assistance for required medical services. Optional services, such as cosmetics, will not receive financial assistance.

Eligibility Requirements
Total income of the people living in the home is used to determine if you will get assistance. If this income is below 200% of the Federal Poverty Level (FPL), you will not have to pay your hospital bill. Incomes between 200 and 600% of the FPL guidelines will not pay more than the amounts generally billed to individuals who have insurance, and may be eligible for additional discounts. If you have a lot of assets, you may not get financial assistance. Please refer to Community Memorial Hospital’s full financial assistance policy for a complete explanation and details.
